

PNWPWDC Water Trial Results June 25 and 26, 2011

Cynthia Kongorski, Trial Secretary

It was a great water trial weekend in the Pacific Northwest with a mixture of weather on June 25 and 26. It was scattered sunshine on Saturday (low-60's), but the stunner was Sunday with sunshine and heat (mid-70s) at the PNWPWDC water trial at Deep Lake in Enumclaw, WA. Of course, many thanks to Suzanne Malick, our outstanding judge, who encouraged everyone with her positive comments to kick-start the water season.

Last but not least, was the group of participants and volunteers that helped make this first-of-the-season water trial a success (Julie Hicks with the fantastic goody bags; Pam Coffeen as Chief Steward; Sarah Kahn and Amanda Ford as relief volunteers; Cathi Jzyk with the boats; Katrina Jackson for the beautiful trophies), along with all the other volunteers that jumped in at every turn—the water trial couldn't have been done without you.

Congratulations to all the qualifying teams!
